You are a connoisseur of everything that is above ordinary. You have a gift for making other people happy. You know how to comfort those who are troubled and you know how to make them pleased with themselves. This is a rare gift and there are not enough people like you in the world. You are not as practical as some people, and in keeping appointments, you are not too punctual. You are somewhat over-sensitive and there are times when you are put out needlessly. But your displeasure does not show itself in the form of a squabble. Disharmony is a thing you avoid at all costs. May be, you nurse a grievance, but this is something that others are never allowed to sense. You keep it strictly to yourself.

### Career

Your career must offer you both intellectual stimulation and diversity. You like to do many things at one time, and probably will have two professions.

### Occupation

Your desire for benefiting mankind and alleviating suffering will find ample scope in the medical profession or in nursing (if you are a woman). In either of these, you would be able to live up to your ambitions and do really good and useful work in the world. Failing the possibility of entering these professions, there are still opportunities that will agree with your temperament. As a teacher, you could perform really excellent service. You would fulfill the duties of a manager or supervisor of a large staff with courage and kindness, and people would submit to your orders willingly, knowing that they could always count on you as a friend. In quite another field you may safely rely on earning a good living. It is in the literary and artistic expression, and these single you out for an author's life. You can become an excellent actor also whether for T.V. or for films. If you take up this kind of profession, it would not be surprising that you would spend your time and money in furthering some humanitarian work.

### Health

You are well favoured as far as your constitutions are concerned. But, you are liable to suffer from nervous disorders and indigestion. The first is the direct outcome of your highly sensitive nature. You become exhausted more quickly than the average person and the life you enjoy does not help in the matter. Digestive troubles result from self-indulgence. Too much is eaten. What is eaten is too rich and, very often, it is eaten too late in the day. There is a tendency to corpulence in later life.

## || Bhava Phala ||

A birth chart of a native comprises of 12 segments, each denoting the different aspects of a human life. These segments are known as houses or Bhavas. The 12 signs of the zodiac find a place in each of these 12 houses in an arranged manner. And the Lord of that particular sign becomes the house Lord of the house that it is posited in. Each House Lord residing in different houses and the impact of all the planets along with the impact of the houses defines the various shades of life the native would have to go through.

### **Personality, health, status**

The 7th house is the other, as opposed to the 1st house which deals with the self. A house of partnership, this indicates the various relationships we may cultivate in the course of our life, both personal and professional. This house indicates joint efforts and journeys that we undertake while we are in the relationship. This house encompasses marital partners and business partners. This house also indicates settlement abroad, as opposed to the 1st house signifying native place.

The position of the lagna lords of self in the 7th house indicates the importance you will place on your partner. If it is marriage, then you will side with the spouse and feel the need of this partnership lifelong. If it is a business partnership or one connected with professional area, then too there is the necessity to side with the other and see from their perspective. Since this is a house of desire, you may be preoccupied with the thoughts of what you gain from this partnership. This placement can also indicate your preoccupation with the sexual or other desire-fulfilling aspect of this relationship. In a way, the placement of the lagna lord of 1st house in the opposite 7th house shows deep involvement in the other, for good or for bad. This position also shows the complete identification of the self with the other as denoted by the 7th house. Also, the 7th house is in total opposition to the 1st house. While the 1st house indicates self and native place, the 7th house indicates other people and places that are far from our place of birth. Your lagna lord in the 7th may be a strong indication of you settling in a place far away from the place of your birth.

### **Wealth, family, properties**

The placement of 2nd lord in 6th house indicates problems and imbalance in the significations of 2nd house matters. Since the 6th house is a difficult house, the channeling of our familial and material resources towards this area signals trouble for you. It indicates wastage of family's financial and material resources. This may result in lack of family's support, concern and care. This placement of the 2nd lord in 6th is also an indication of your losing your financial and material resources in 6th house significations concerning disease, enmity and debt. Your opponents may have an upper hand over you and rob you of your material resource. You may be involved in debts due to improper planning or mismanagement of resources. Since this is a house of hard work and service-oriented profession, money will also accrue from your association with private sector jobs, though after tremendous hard work. The placement of 2nd lord in 6th also indicates ill-health and disease robbing you of your hard-earned money. Financial constraints may be caused due to over-indulgence in food and drinks. Because it is your second lord of dietary and eating habits placed in 6th house, indulgence related to the above-mentioned matters can lead to monetary problems. Too much of indulgence can also result in falling into the

debt-trap which is what this 2nd lord in 6th house placement indicates. The second house rules speech and the 6th house is an aggressive house. So you may face problems due to your speech getting into an aggressive mode and creating disruptions in your relationships.

## **Siblings, courage**

When your 3rd lord is in 7th, you may experience increase in your desires and wants. Since both these are considered as houses of desire, you will have more than usual cravings and yearnings. The 3rd house lord in 7th has a way of making you impulsive and you will be perennially in pursuit of your wishes and long to fulfil them. Since the 7th house deals with partnerships, you will develop close affinity with your siblings, peers or friends. You may bond well with your colleagues and neighbours too. It is highly possible, with your 3rd lord in 7th, that you may be married to either your friend or colleague. Where there is no marriage, there will still exist a live-in association and continuous close contact with your friend or colleague. You can also be engaged in a beneficial business partnership with your friends or colleagues. Even when there is no partnership such as ones related to marriage or business, the bonding with friends or neighbours or colleagues will be very strong at the mental level. Since 'desire' is a product of the mind, your 3rd lord of mental impulse will no doubt arouse intense sexual desire in you when placed in the 7th house. Your relationships formed with the 3rd lord's presence in 7th can be for a short-term or long-term basis, and can be revived with ease even when they are considered as closed chapter. This is because the basic 'desire' never dies in this combination, even when there is no actual material or spiritual benefit resulting out of the relationships or associations.

## **Happiness, education, house, mother, property**

A palatial bungalow or a farmhouse, luxurious vehicles and a high-end lifestyle define you when your 4th lord is in the 11th house. In the 11th house, your 4th house significations related to material wealth accumulate and grow by leaps and bounds. This indicates your ever-growing social presence and popularity too, along-with the material abundance. You will be fond of a grand lifestyle. In fact, the hallmark of grandness will be visible in all that you do. You will have multiple sources of income. You will maintain a lavish and opulent lifestyle and spend merrily in entertainment. This placement also indicates a well appointed living space with ultra-modern gadgets. It shows your expansive and ever-expanding social circle. Your mother will be popular and maintain an independent and enjoyable social life of her own. A hectic social life is indicated for you also, and you will almost always be accompanied by your home members when you indulge in socializing. This position indicates the happiness and emotional security you derive from social gatherings, partying and entertainment activities. This can also imply that your home resources are at the disposal of your indulgent and affluent lifestyle. Since 11th house is 8th when counted from 4th house, this placement can indicate the disruption of your emotional nature and you will take on the colour of extroversion. Your time, money and energy will be busy in enhancing the 11th house significations and also getting benefitted by it.

## **Children, mind, intelligence**

The 12th house placement of your 5th lord indicates the different trajectory your intellectual potential and learning curve may take in this lifetime. Though the 12th house is considered as the house of loss, this pertains

mostly to material aspects. This house, in subtle and mysterious ways, shows us the life beyond materiality and what awaits us once we decide to raise our consciousness. Which is why your 5th lord dealing with mind, though not very comfortable in the 12th house, will not experience any loss since it is getting connected to a different plane altogether. Since the 12th house is in 8th position when counted from the 5th, this placement indicates the destruction of 5th house significations resulting in transformation of your personality. Your mind, with all its capabilities and intellectual cravings, needs to be annihilated at the lower or material level. In the 12th house, a transformed 5th lord will enable the higher mind to absorb the enlightening knowledge offered by this house. Due to this placement, it is possible that you will never achieve credit or acknowledgement for your intellectual prowess and attainments. It can also mean your intelligence and creativity never reaching their fullest potential. Your intellectual skills and competencies may remain latent. It can also mean that your education and academic experience not helping you to grow materially or be acknowledged publicly, thereby resulting in denial of ego-fulfilment to you at the mental level. Since 5th house also connotes your progeny, its placement in the 12th can result in lack of progeny. Or it can mean a lack of desire for progeny. Since one's progeny conveys one's creative ability and builds the ego-identification with one's creation, this placement may kill your need to identify with the procreational process

## **Diseases, debt, enemies**

The 6th house is oriented towards attachment The 12th house is oriented towards detachment. Your 6th house aggressively pursues materiality. There is nothing aggressive or material about 12th house. It signifies voluntary or compulsory loss and denial. The 6th house is assertive about ownership, while in the 12th all boundaries get dissolved. Your 6th house equips you with attack and defence mechanisms, whereas the 12th house dissolves identities and believes in accommodating, adjustments and giving. Your 6th house will vociferously advocate for 'do or die', but your 12th house is deeply rooted in 'live and let live'. When your 6th lord is placed in the 12th house, it is completely disoriented. Its loses its tenacious hold on the material life and feels a deep sense of loss. This placement indicates your will in conflict. It indicates the potential danger your body and mind are exposed to when the will to defend self and own territory collapses. But, a malefic house lord in a bad house implies something good happening in another dimension or plane. Since the 12th house is 7th from the 6th house, your 6th lord here completely identifies with the agenda of the 12th house. Rather than aggressively pursuing material wealth, you may believe in sharing and circulation of monetary resources. Instead of wilfully marking your own territory and guarding your hard-earned wealth, you will willingly share your energy, time, money and other resources with other people. It indicates your association with charitable and philanthropic organizations too. As a house of 'service', the 6th house indicates your personal debts, obligations and bondage in work for earning your livelihood. The placement of 6th lord in 12th house, shows your 'indebtedness' to the world at large and can motivate you towards 'humanitarian service'.

## **Marriage, partner**

The 7th and the 11th houses belong to the 'desire' triad. The 7th house indicates our 'desire impulse' to form intimate personal relationships, complementing our personal identity. These can be related to marriage or connected with business. The 11th house shows our 'desire impulse' to form a big network of personal relationships rooted in expansion and enhancement of our social identity. Moreover, the 11th house, being a house of gain, promotes and expands all significations that comes under its purview. The presence of your 7th

lord in the 11th house indicates the influence of your 7th house matters on the 11th house. Since the 7th house deals with your sexual relations or marriage, this combination promotes multiple sexual partners. Chances of you marrying more than once are also present. You will also experience heightened sexual desire and the need to form intimate relationships with multiple partners, since the 11th house amplifies the 'sexual impulse' of the 7th lord placed here. This combination also promises a profitable and beneficial business enterprise. You may have multiple business partners and enjoy your relationship with each one of them. You will derive great fulfilment from your close and intimate personal relationships too. But this does not guarantee contentment easily, and so you may engage in exploring more. This placement guarantees continuous growth and expansion of your profession. Your financial benefits will be more than your work profile, and you will also gravitate towards fields that promise rich financial dividends rather than intellectual satisfaction.

## **Longevity, danger, difficulties**

The 7th house represents the 'significant other' complementing our life. The 8th house reveals aspects of our personality that remain hidden or latent, away from public purview. The 7th house, being a house of desire, plants seeds of companionship and partnerships for fulfilling our various wants and needs. The 8th house, as a house of 'death' and 'endings' uproots us from established relationship set-up. But, both in a way, signify 'death' for us. The 8th because it is a house of longevity and informs about our death, and the 7th with its ever-present danger of the 'other' becoming too important and killing our personality. Both these houses initiate changes within us, the 8th since it is concerning with 'transformation' and the 7th because of the potential of the 'other' to transform us. When your 8th lord is in the 7th house, it is placed in the 12th from its own house. This implies that the 8th house significations are 'getting lost' or 'being dissolved' in the 7th house. As a house of transformation, the 8th house mysteriously reveals hidden and occult powers that lie buried deep within us. In our excessive dependence on our intimate relations for satisfying our desires, we remain ignorant of our 'hidden occult powers' and lose track of our purpose of 'self discovery and inner transformation'. This over-indulgence in the pleasures and desires offered by the 7th house drains the 8th of its 'power', and so the 8th lord when placed here 'suffers loss.' This position also indicates the malefic tendencies represented by the 12th 'suffering loss' when placed in the 7th house. Due to your 7th house relationships and partnerships, you may be free of your 8th house obstacles and difficulties too. It is possible that your spouse may enable you to recover from chronic ailment or your business partner may help you out of sudden misfortune or troubles.

The 12th house, oriented towards 'Moksha' or detachment impulse cannot maintain sustained interest in any relationship or partnership. When your 12th lord is placed in the 7th house, it goes to the 8th place from its own house. This indicates sudden or unexpected changes in the way relations, whether intimate or related to business, are perceived and pursued. You may not be very desirous of forming or initiating intimate sexual relationships. Or the disruptive influence of the 12th lord may disturb the intimacy afforded by the 7th house. Your marital relationships may be disrupted giving you a sense of loss. It is also possible that you and your spouse may experience detachment towards each other. ## || Sadesati Report ||

### **Shani Sade Sati: Rising Phase**

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. Take this period as learning period, put your hard work and things will fall in place. You are advised not to take high risks in business matters in this period.

### **Shani Sade Sati: Peak Phase**

This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. As first house is the house of health, you should start exercising and taking care of your health, otherwise you can be caught by chronic diseases. You may suffer from depression, unknown fear or phobia. You will lack clarity in thinking, action, and decision making. You will be spiritually inclined and will be attracted by intricacies of nature. Acceptance and doing basics right will sail you out of this period.

### **Shani Sade Sati: Setting Phase**

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

**Note:** Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. ### **Moon in your 1st house:**

In general, the 1st house belongs to Mars and Sun. When the moon is also placed therein, this house will come under the combined influences of the Mars, the Sun and the Moon i.e. all the 3 mutual friends will be treated as occupants of this house. The Sun and Mars will extend all friendly support to their natural friend Moon placed on the throne i.e. the ascendant house.

Such native will be soft-hearted and will inherit all the traits and qualities of his mother. He will be either the eldest brother or will certainly be treated so. As long as the native receives the blessings of his mother and keeps her happy, he will continue to rise and prosper in every way.

The things and the relatives as represented by Mercury, who is inimical to Moon, will prove harmful to the native, e.g., the wife's sister and the green color will affect adversely. Hence it is better to keep away from them.

Burning milk (for making Khoya) or selling milk for profit would reduce or minimize the power of the Moon placed in the 1st house, which means that the native's life and property would be destroyed if he engages himself in such activities. Such a native should serve others with water and milk freely for long life and all round prosperity. Such a native will get a life of about 90 years and will be bestowed with honours and fame by the Govt.

#### Remedies

- (1) Do not marry between the age of 24 and 27 years, i.e., marry either before 24 years of age or after 27 years of age.
- (2) Do not build a house out of your earnings between 24 and 27 years of age.
- (3) Keep away from the green colour and wife's sister.
- (4) Do not keep a silver pot or kettle with a snout (Toti) in it in the house.
- (5) Offer water to the roots of a Banyan tree whenever you can afford.
- (6) Insert copper nails on the four corners of your bed.
- (7) Whenever crossing a river, always throw coins in it for the welfare of your children.
- (8) Always keep a silver Thali in your house.
- (9) Use Silver pots for drinking water or milk and avoid the use of glassware for the same.

### **Mars in your 7th house:**

This house belongs to the influences of Venus and Mercury, who combined together provide the effect of Sun. If Mars is placed therein, the 7th house will be affected by Sun and Mars both, which ensures that the native's ambition will be fulfilled. Wealth, property and family will increase.

But if Mercury is also placed here along with Mars, very adverse results will follow regarding the things and relations represented by Mercury e.g., sister, sister-in-law, nurses, maid servant, parrot, goats etc. Hence it would be better to keep away from them.

#### Remedies

- (1) Place solid piece of silver in the house for prosperity.

(3) Repeatedly build a small wall and destroy it.

### **Rahu in your 12th house:**

12th house belongs to Jupiter. It signifies bedroom. Rahu here gives mental troubles, insomnia. It also leads to excessive expenditure on sisters and daughters. If Rahu is with its enemies then it becomes next to impossible to make ends meet, despite hard labour. It also leads to false allegations. One may even go to the extreme of contemplating suicide. One has mental worries.

- (2) Keep Saunf and khand under the pillow for good night's sleep.

Yantras generally drawn on Bhojpatra (parchment) and worn as a talisman. on the body. If it is not possible for you to make it, the same can be engraved on an amulet or pendant and you may purchase it.

For your reference, if you wish to draw Planets yantra on your own, the following things would be needed:

- 1) Twig of pomegranate tree; which should be sharpened from one end to give it the shape of a pen.
- 2) Ashtgandh. It is the mixture of eight things including musk, chandan, saffron etc. It is easily available in shops.
- 3) Small piece of bhoj patra You will get it easily in a pansaari shop. It is the outer skin of a specific tree.
- 4) Ganga jal (ganges water), if available. Optional.
- 5) Talisman enclosure made of copper. It looks like the one given in the picture below. The enclosure comes in various shapes like round, square etc. Shape does not matter.

These are all the things that you need.

Muhurta: This should be prepared in specific muhurat as mentioned against each planet.

Procedure: Take pinch of asht gandh, add few drops of ganges water to it, if available. If it is not available then add normal water to it. This is to make the ink so that the above shown yantra can be drawn with this ink.

After making the ink, take the pomegranate twig/peacock feather and draw the yantra shown above with the ashtgandh ink on a small piece of bhojpatra. After drawing the yantra, allow it to dry. Once it is dried, fold the piece of the bhojpatra so that it fits inside the talisman enclosure and put it inside the enclosure and close the enclosure. Your talisman is ready to be worn now. ## Mantra

Mantras have great significance in Vedic Astrology since ancient times. Every mantra creates specific vibration and it energised the person with powerful energy of the deity related to that specific planet. Mantra Chanting is a very good and easy way to appease your planets however; a correct pronunciation is a must. Apart from that to reach ultimate state, you should chant mantra in specified number.

To appease Planet Sun, you should recite Sun Beej Mantra i.e. Aum Hraam Hreem Hraum Sah Suryaya Namah !

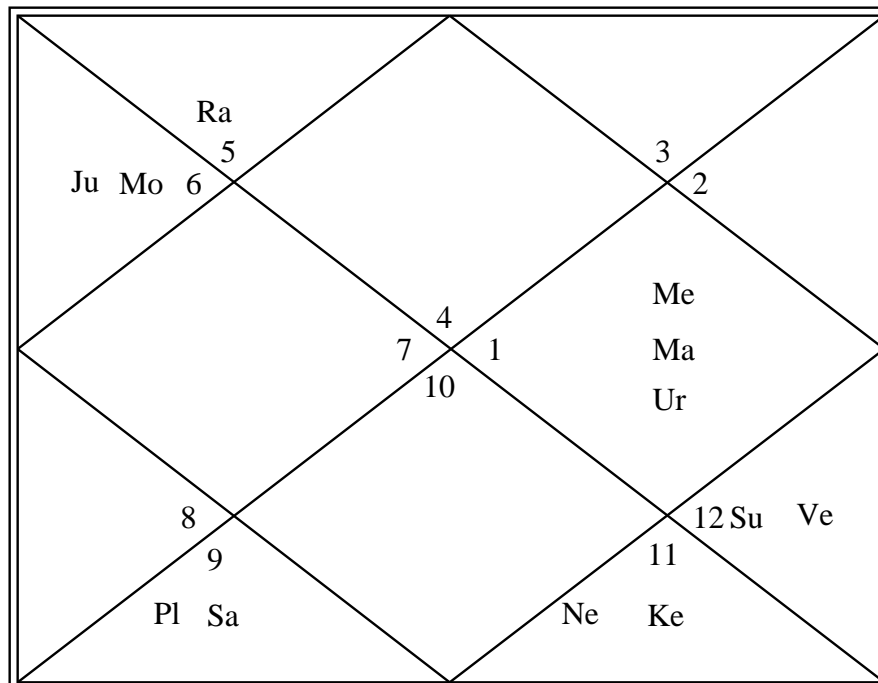

You should chant the same for 7000 times. As per Desh-Kaal-Patra Siddhanta, in Kalyuga, there should be chanting of 4 times so you should chant the same for 28000 times.

You can also chant other mantra i.e. Aum Ghrini Suryaya Namah!
